Dear Parents/Carers,

Thank you for your patience. Our summer camps have been extremely busy and we have also been waiting on our Ofsted registration and booking system to be created.

I have attached our Ofsted certificate for you to use if you require the details for claiming money back or childcare vouchers.

To make payments via childcare vouchers or tax free accounts, contact katie@clubszone.co.uk and she can guide you through how to do this.

Please see all the information and how to book our wraparound service on the link below.

<https://www.clubszone.co.uk/dovebankprimary>

We have created a booking system that will give you access 24/7 to make a booking.

Jungle Club (Breakfast Club) will be priced at £4.25 & a small booking fee.

Safari Club (After School Club) will be priced at £6.60 and a small booking fee.

The booking fees are automated charges from the software.

You can select the 'Full term bookings' if you want to pay and book the whole term up front or individual dates.

Also please register your child's details on this link below so we can have all the updated information regarding your child on our system.
