Role: Parent Governor

Parent Governor

I run my own business as a qualified childcare practitioner. From doing this I have obtained a good level of knowledge of keeping children safe and safeguarding.

I am aware of the importance of confidentiality and I am not afraid to ask difficult questions if necessary.

I have no experience of school governance specifically, but I am committed to undertake training and developing skills required to make effective contributions.

Overall I am keen to support the school and its dedicated staff, who work so hard to keep Dovebank running smoothly.
